Reply - Supplementary RQI - a third-country national sent to Norway by a temporary work agency established in another EEA State – Case nr. 80810

The Ministry of Labour and Social Affairs refers to the letter from the EFTA Surveillance Authority (hereinafter “the Authority”) of 06 September 2019.

The Authority refers to previous correspondence regarding the case, including the Authority’s request for information of 17 August 2017, the Norwegian Government’s reply of 15 September 2017. The case was discussed at the package meetings in Norway in 2017 and 2018.

After considering the Authority's request for information, the Ministry has decided to start an assessment of whether the Immigration Regulation Section 19-8 is compatible with Article 36 of the EEA Agreement and the Directives based on this article. We will be able to provide you with further information regarding the assessment in the Package Meeting, as the issue concerned is one of the discussion points under Labour law.

Yours sincerely
