

## Band 5, no. 10

October 1991

Journal of the International Association of Agricultural Economists  
and the International Association of Agricultural Economists  
of the Americas

### Contents

#### Articles

1. **Market Power and the Structure of the U.S. Food Industry**  
D. J. Henderson, R. E. Just, and J. L. Srinivasan

2. **The Impact of the 1980s on the U.S. Food Industry**  
D. J. Henderson, R. E. Just, and J. L. Srinivasan

3. **Market Power and the Structure of the U.S. Food Industry**  
D. J. Henderson, R. E. Just, and J. L. Srinivasan

4. **The Impact of the 1980s on the U.S. Food Industry**  
D. J. Henderson, R. E. Just, and J. L. Srinivasan

5. **Market Power and the Structure of the U.S. Food Industry**  
D. J. Henderson, R. E. Just, and J. L. Srinivasan

6. **The Impact of the 1980s on the U.S. Food Industry**  
D. J. Henderson, R. E. Just, and J. L. Srinivasan

7. **Market Power and the Structure of the U.S. Food Industry**  
D. J. Henderson, R. E. Just, and J. L. Srinivasan

8. **The Impact of the 1980s on the U.S. Food Industry**  
D. J. Henderson, R. E. Just, and J. L. Srinivasan

9. **Market Power and the Structure of the U.S. Food Industry**  
D. J. Henderson, R. E. Just, and J. L. Srinivasan

**INTRODUCTION**

This manual is intended to provide you with the information you need to use the software and hardware components of the system. It is intended for use by the system administrator and the user.

**HOW TO USE THIS MANUAL**

This manual is organized into several sections. The sections are: Introduction, Getting Started, Using the Software, and Troubleshooting. Each section contains information that is relevant to that section.

**GETTING STARTED**

This section contains information that is relevant to getting started with the system. It includes information about the hardware and software components of the system, and how to install and configure the system.

**USING THE SOFTWARE**

This section contains information that is relevant to using the software. It includes information about the software components of the system, and how to use the software.

**TROUBLESHOOTING**

This section contains information that is relevant to troubleshooting the system. It includes information about the common problems that can occur, and how to solve them.

**APPENDICES**

This section contains information that is relevant to the system. It includes information about the hardware and software components of the system, and how to use the system.

**INDEX**

This section contains information that is relevant to the system. It includes information about the hardware and software components of the system, and how to use the system.

**HOW TO USE THIS MANUAL**
